

Students with Documented Permanent Disabilities Ancillary Fees Form

Students with documented permanent disabilities who are registered with AccessAbility Services or verified through the Financial Aid Office (OSAP) are considered full-time students when they are registered in 40% of a full course load. Loyalist College's registration process only assesses these students with part-time post-secondary day Student Ancillary Fees.

Please return this form to the Cash Office at 2H1 or email to accounts@loyalistcollege.com
