President  
Student Government  
Loyalist College  
Bellville, ON

Subject - Letter of Intention

I am writing this to convey my profound intention to serve as a member of student government at Loyalist College. As a sincere and dedicated student, I am eager to serve as 'Student vice-President, Student life' and contribute to the development of the community and ~~also~~ assist fellow students.

Throughout my academic journey, I have been engaged in several extra-curricular activities and I have served as 'discipline-in-charge' and 'Head girl' in my high school. These years enhanced my communication, decision making and leadership qualities. Moreover, I am an enthusiastic and passionate about learning new things and gaining experiences.

By working together, I am confident that we can make a lasting and positive impact on the lives of our peers and contribute to the overall success of our institution. If the granted the opportunity I guarantee to represent the best of me and my fellow students with integrity, empathy and diligence.

Sincerely,  
Meenakshi
